ATTORNEY SAYS COP'S FIRING DA'S FAULT

Teacher Appeal Wins New Session On Salary Issue

Although the Jefferson Elementary School board adopted a salary schedule May 11 for 158 district teachers, a new salary session was called next Wednesday in the wake of teacher protest this week over the manner in which the revised schedule was adopted.

The board's adopted schedule calls for about a one per cent blanket increase, amounting to a total of \$6000 for the year. Salary proposal by teachers would have upped total teachers' pay by \$56,000 and would have required less study units to reach higher pay classifications.

In a letter to the board, James Hough, chairman of the Jefferson Classroom Teachers association salary committee, said, "Majority of the teachers are deeply disturbed by the added requirements to reach Class C, D and E (higher salary brackets). They are also greatly disturbed by the manner in which the counter proposal was presented (by the board) without prior knowledge of the teachers. This leads us to believe our efforts in presenting a suitable schedule were futile."

Hough's letter urged that an informal discussion be held between teachers, H. Z. Weibel, superintendent, the board and Dr. A. Anderson, California Teachers association representative.

Hough commented that, "Along with our own views and upon recommendation of Dr. Anderson, we feel there are equally professional ways to promote teacher growth."

A record attendance of 100 persons, most of them teachers, were present at Wednesday's trustee meeting held at Jefferson Elementary school multi-purpose room.

Questioned by board chairman Mrs. Helen Cheatham, all the trustees favored the special meeting, although Henry Kraus qualified his approval, stating that, "I was under the impression we have a salary schedule in force, but I would be willing to listen to any proposals."

Trustee Joseph Lewkowicz said, "If the present arrangement

Bocci Disqualifies Self As Judge In Bruno-Callan Battle

Municipal Judge Thomas L. Bocci yesterday (Thursday) disqualifies himself from trying San Bruno's sign tampering charges against County Supervisor Thomas Callan Sr. of Colma.

It marked the second time in less than a month that Bocci has disqualified himself from hearing a case. On May 2 he announced he would not try the suit brought by Westlake Improvement association against six homeowners delinquent in assessment payments.

In eliminating himself from the San Bruno-Callan controversy, Bocci declared in a formal statement, "Because of widespread publicity which has become attendant on this case and the fact that I have known the defendant and his family since childhood and more recently have acted as his attorney while practicing law and by reason of further fact that all of the details of the matter have been brought to my attention so as to render it difficult for me to sit with an open mind I find that it is necessary for me to disqualify myself."

The judge continued that, "My action in this respect is not intended as a reflection on the merits of the arrest nor should it be received as such. Through an appointment by the Judicial Council an outside judge will be brought in to hear the case, who, I am sure, will extend to the people and to the defendant a fair and impartial trial."

Callan, a director of Joint Highway District 10, is charged by the city of San Bruno with tampering with San Bruno road signs on Junipero Serra boulevard at the Crystal Springs intersection last month.

Callan had taken down signs for bidding left turns on Crystal Springs at Junipero Serra for

JEFF DISTRICT HIRES ORIENTAL FOR FIRST TIME

Precedent in teacher hiring was set in three separate fields Wednesday night by Jefferson Elementary School district trustees. The board approved hiring of Melford Tong, Chinese, as a fourth grade instructor. He will be the first oriental to teach in the district.

Superintendent H. Z. Weibel said Tong, a beginning teacher, had a "splendid background and personality and excellent references. In my experience Chinese prove to be outstanding educators," he related. "I think we should have a few orientals in our school system."

Board Chairman Mrs. Helen Cheatham remarked that, "It's too bad we even have to discuss the hiring with nationality in mind."

The trustees voted unanimously to hire Tong.

In other innovations, the board approved establishing position of a woman physical education instructor and set up new

PROPOSE WATER-BUDGET BOSS FOR DALY CITY

Combining of the water department and the proposed budgetary control system under one "high-caliber" man was tentatively agreed upon by the city council Monday night. City Manager Howard Stites advised the council that a salary of \$400 per month would be necessary to gain a qualified person.

"We need someone who can develop with the city," Stites exclaimed. The revised organization was suggested by City Auditor Herbert Thielmeyer, invited to appear before the council by Stites.

Thielmeyer told the council that the change was necessary because of the city's rapid growth. He added that Water Department Manager Alan Hertel is "limited to his present position."

The auditor also advised that quarterly reports be submitted to the council by the new department head.

Thielmeyer underwent some quizzing by Mayor Joseph J. Verducci who asked, "Three months ago we asked you about the city's financial condition. Why is it you didn't tell us that we were heading in the red?"

"That's not a fair question," interjected Stites, rescuing the auditor.

The city manager explained that at the time the question was asked, Thielmeyer could have had no inkling of the financial situation because the overdrafts at the time were not bad.

"The city manager, not the auditor, would be the only person to have enough information available at that time to foretell the present situation," Stites declared.

All Three Incumbents Retain Trustee Positions

Less than 3000 of 14,000 registered voters in the three area school districts turned out Friday, returning all three incumbents to office and naming one new trustee. The Jefferson High school district, largest of the two with 13,728 registered voters, found approximately 1750 electors casting

their ballots, returning incumbents Ann Eason and Elio Fontana to three-year terms with wide majorities. Fontana topped polling with 1212, while Mrs. Eason had 1152. Other two candidates in the race, Palmiro Nalli and Grant Holman, tallied 431 and 672, respectively.

The five-way race for two jobs in the Jefferson Elementary School district found Incumbent Henry Kraus the favorite with 607, nearly 300 above the second-place candidate.

Hilltop Is Granted Hearing

Word was received from Sacramento yesterday that Hilltop Lodge, 22 Hillcrest drive, has been granted appeal on the revocation of its liquor license.

The license was scheduled to be revoked yesterday, in accordance with a decision handed down by the state department of alcoholic beverage control on April 7.

Granting of appeal will have the effect of postponing the revocation. Date for hearing has not yet been set.

Attorney John Fahey is representing the Lodge owners, George and Ann Kirchubel and Dan Palas.

The tavern lost its license after three lengthy board of equalization hearings, during which witnesses testified of narcotics activity at the local hangout.

Boy Scout Fund Drive Underway

Annual Boy Scout finance campaign in Daly City-Colma area got off to a flying start Tuesday morning, as workers met at Our Lady of Perpetual Help School cafeteria for an early-bird's breakfast, under the chairmanship of Peter J. Markovich, who is heading up the business division solicitation.

In addition to the usual receipt, contributors are receiving a new window sticker this year, bearing the Scout emblem and the slogan "We're Backing the Boy Scout Program in Daly City-Colma." Stickers are designed to be put on store and residence windows, to show the interest of local citizens in efforts of the Boy Scout committee to promote this program for boys in the area.

In attendance from Westlake were Jay F. Irick, Bank of America assistant manager, and Public Relations Director Jack Kendree, from the Henry Doelger organization. Irick and Kendree are in charge of business contacts in Westlake, and have several other men assisting them.

Board Holds Contract For School Gardening

Proposal from Ray and Mo Masini to handle school gardening at a cost of \$800 a month was held up for further consideration by Jefferson Elementary School district board of trustees Wednesday night.

Chairman Mrs. Helen Cheatham urged that before contract between Masini brothers and the district is approved a detailed list of urgent projects should be compiled.

Trustee Mike Callan took issue with the contract because it did not say specifically that gardening wouldn't include watering. "If it says maintain the grounds, that means watering," he proclaimed.

The topic will be taken up at the next regular meeting.

Fahey May File Counter Charges For Johnstone

Attorney for ousted police inspector, David H. Johnstone Jr., charged today that District Attorney Keith Sorenson was solely responsible for Johnstone's firing by the city council Monday night.

John J. Fahey, Jr., Johnstone's lawyer, said that he will file an answer to the charges within the three days allocated by the city personnel board and will possibly take "affirmative action" himself. "I feel that Johnstone has been severely abused," Fahey stated, "and I don't propose to lie down and let them walk all over him. We'll take this to the Supreme Court if necessary."

The letter of dismissal, released today by Fahey, specifically charges Johnstone, 39, 184 San Diego avenue, of "association with known gamblers" and "failure to inform Police Chief Roland Petroschi of all investigations."

District Attorney Sorenson charged last month that an alleged tip-off in the Daly City police department was ruining the DA-police, joint-investigation of bookmaking activities in Daly City. He declined to say whether he suspected Johnstone.

City Manager Howard Stites received council approval Monday night to negotiate with San Francisco Municipal Railway in an effort to cut losses on the No. 76 bus to a point where the city could afford to subsidize it.

Henry Doelger Builder, Inc. is currently subsidizing the line to a maximum of \$600 a month and Monday initiated his new route which excludes Broadmoor and eliminates intra-city connection between Westlake and Mission street.

Stites said he would determine if losses could be cut to \$200 or \$300 by re-routing the bus and putting it on a limited schedule, which would include alternate trips to Mission street. Then, he said, the city might investigate the possibility of having legislation adopted in the state legislature which would allow subsidy of bus operations by a city.

He emphasized, however, that this service would not be adequate in itself, but would provide the "backbone" of local transit. "I don't think we can possibly get enough service under this arrangement to meet the city's needs. We might have the jitneys supplement this service and the combination of the two may prove enough."

Stites met with Kendree Friday after learning of Doelger's revised No. 76 route. "As I understand it," Stites said, "All Doelger did was make an arrangement with Muni for transportation between now and July 1." Kendree had said (Continued on Page 2)

Kirchubel Argues Council's Denial On Hilltop Dancing

Opposition to the council's thumbs-down decision on a Hilltop Lodge dance permit was voiced Monday night by George Kirchubel, co-owner of the tavern.

The Hilltop, 22 Hillcrest drive, is faced with revocation of liquor license because of alleged narcotic activities, although appeal was granted this week. The council's refusal included the stipulation that application for a dance permit will be reconsidered if the tavern owners win their appeal.

"So, I'm guilty until I prove myself innocent," Kirchubel charged. Despite his plea that a temporary permit be granted, the council upheld their decision of last week.

Kirchubel angrily ordered a roll call vote which was agreed to by council members.

Sweepstakes Ticket Worth \$3250 To DC Man

William Adams, 58, of 38 Brunswick, has a piece of paper that's worth \$28,000 to him and five friends.

Adams, a travelling accountant, held the ticket on "Acropolis," third place horse in the Irish National Sweepstakes held this week.

The "show" position ticket was held jointly by Adams and five other persons.

After taxes of \$500 and federal income tax, \$8000, the winners will have \$19,500 to split among them, or \$3250 apiece.

Adams could not be contacted yesterday for comment as he was in Omaha, Nebraska, on business.

Dave Johnstone

Fahey pointed out that the crux of the charges against the ten-year police veteran lay in the following statement:

"He (Johnstone) was the cause of official action on the part of the District Attorney of San Mateo county to refuse to cooperate with the law enforcement group (the Daly City Police department)."

Fahey continued that if there had been any wrong doing on Johnstone's part, it should have been Sorenson's duty as district attorney to take action.

"The reason he (Sorenson) elected to write a letter to city officials instead of making charges himself or turning the matter over to the grand jury indicates that he has nothing on Johnstone."

DALY CITY SALUTE ON TELEVISION THIS AFTERNOON

Daly City will be saluted on KPIX's Sandy Spillman show from 1:30 to 2 p.m. today (Friday).

Civic and service leaders featured on the special telecast will include Daly City Mayor Joe Verducci; Fred Martin, president of the city's Chamber of Commerce; Monte Dayton, representative of The Record; and representatives of the city administration, Chamber of Commerce, Lions club, Rotary club, Optimist club, PTA and Mothers clubs, Garden club and the Vista Grande Concert association.

The telecast will also mark Sandy Spillman's last afternoon program. On Monday the new KPIX variety show, "This Morning," with Sandy and Faye Stewart, will be expanded to one hour.

The Daly City telecast, according to Mayor Verducci, who in addition serves as San Francisco State college athletic director and head football coach, will wind up activities for the city's clean-up drive, the Chamber of Commerce membership drive, and the Vista Grande Community Concert association drive.

All officials and citizens attending today's telecast must have tickets to enter the studio. They may obtain them at THE RECORD office.

Participants in the show must be on hand at the KPIX studio, Van Ness and Greenwich, promptly at 12:45 p.m.

Today's "Salute to Daly City" on the SANDY SPILLMAN television show over KPIX (Channel 5) will prove a singular honor for this community.

With new program shakeups at the station, today's presentation at 1:30 p.m. will be the last of the Spillman afternoon show. Henceforth he will be telecast mornings.

answered. "That's what I'm thinking about," the chairman retorted. "We'll have to settle for a beer appetite. But I believe the excess paper work is one of the reasons so many teachers leave the district. They shouldn't have to do all this homework. They should be well paid for teaching, and do just that—teach."

Ready For Survey

Weibel's answer was that, "With that point of view then I feel we're ready for some sort of survey by a disinterested party. It's true the teachers have a lot of jobs but many of them don't feel over-worked."

Mrs. Cheatham then got back to the "brass." "Just what does curriculum coordinator (position held by Fred Schweickhardt) mean?"

Weibel said the job entailed developing courses of study which teachers may follow to teach children most effectively.

Same Rate Progress

"Does it have anything to do with coordinator curriculum?" Mrs. Cheatham fired back. "Does it mean that in any given school the children in the fifth grade, for instance, would all be at the same rate of progress?"

Weibel answered wryly, "Yes, but you can't expect to go into a class and find the children on page 33 of the arithmetic book and visit another class and find them on the same page."

"I feel the superintendent is being left up in the air on the board's feeling on these coordinator positions," broke in Trustee Henry Kraus.

"I've been through this before. It's a good thing," related the superintendent.

Detail Work Same

"We should make the amount of detail work the same in all the district's schools," advised Trustee Mike Callan.

"We shouldn't make all the teachers miserable just for the sake of uniformity," she answered.

"I definitely think we should have a discussion on the value of these upper level people," the chairman continued.

Kraus then entered discussion again, stating that "I'm confused just where we are. I dislike leaving this hanging in mid air." Addressing Mrs. Cheatham, he said, "If you're going to make a poll you'd better be ready to do something about it. Much of this throws a negative light on things in the district. All in all, we have a good district."

Mrs. Cheatham declared, "I'm not casting any shadow, but I'm quite sure something is wrong and I won't go behind a door to say that."

All OK Meeting

On polling of trustees, all expressed a desire to take up the teachers' complaints with them and discuss the status of the coordinators at an informal meeting June 8 at the administration building.

Stites Gets OK On Renewal Of Subsidy Talks

earlier the Westlake route might be "permanent."

Writes BPOA Official

The manager wrote a letter yesterday to Tom Jenkins, Broadmoor Property Owners association transportation committeeman, asking him and any other interested parties to meet with the council next Tuesday following the adjourned session.

"We feel Broadmoor is a part of the community," Stites related. "We can't serve Daly City without serving Broadmoor."

Commenting Monday on Stites proposed subsidy plan, Councilman Sanford Vickers asked if it would be possible to finance the Muni losses with gas tax money or parking funds.

Sales Tax

Stites said he didn't think so, declaring that, "I think sales tax is the ideal way to raise the money. That way the same people who use transportation would be taxed for it. First, however, we must enlist citizen participation so they can help to sell sales tax." He indicated the citizen transportation committee now being formed could aid this cause.

The transportation committee, proposed after the jitneys won edge over private buses in a 3-2 council vote, will meet next Tuesday and will hold session again not more than a week after that, according to Stites.

The National Park System was started with the establishment of Yellowstone National Park in 1872.

4. Authorized sale of bonds in the amount of \$200,000 from last year's \$1,486,000 bond election. Money will go towards Benjamin Franklin school additions.

5. Advised Weibel to speed title clearance on Buffalo Bill right of way, so that Benjamin Franklin construction can be started.

6. Approved completion of Crocker multi-use room.

7. Learned from Attorney General Edmund Brown that the district can no longer allow private companies to sell insurance to school children. The local district has had an agreement with a national firm for insuring district children.

Fahey May File Counter Charges For Johnstone

(Continued from Page 1)
the attorney explained.

The letter in question is alleged to have been written by Sorenson and asked Johnstone's ouster.

Typical Answer

When asked today by THE RECORD whether he had written such a letter, Sorenson's answer was a typical "no comment."

"This whole thing is strictly an internal matter, and I don't feel anything I'd have to say would be of any use," the district attorney added.

Wednesday Sorenson met with City Manager Howard Stites and City Attorney Frank Blum. Sorenson admitted that he had given "some information" to the two Daly City officials.

When asked if the meeting had pertained solely to Johnstone, he answered there also had been "a discussion of the police force in general."

Fahey also indicated that Johnstone's hearing might develop the fact that officers in law enforcement agencies other than the local police department were not up to par.

Gets In Way

"Anyone who gets in the way will be brought into it," he said. "It is probable that investigators from the district attorney's office will be called to testify."

The attorney called the remainder of the charges against Johnstone a "lot of double talk" and "dress-up" for the real reason which is Sorenson.

Other charges against Johnstone included:

1. "He (Johnstone) has not been governed by the ordinary and reasonable rules of good conduct and behavior and has brought reproach and discredit on the city of Daly City and the police department."

a. "He has investigated a personal friend without asking to be relieved from said investigation."

b. "He has associated with persons he knew were being investigated by law enforcement groups."

Seek Separate District

Goal of the Boy Scout campaign is to raise sufficient funds in order that Daly City-Colma, including Westlake, may be established as an independent district, with its own chairman, commissioner, and district committee.

This may not occur immediately, depending on results of the money-raising effort, but it is part of the long-term plan of the San Francisco council, according to Robert E. Hunter, vice-chairman of Lake Merced district, and also finance chairman for the district.

Membership of Scouts in the Daly City-Colma area jumped to 450 this week, with the registration of new Cub packs at Olympia and Jefferson schools. The packs have been given the numbers 343 and 341, respectively, with a total of 39 new cubs belonging to the two groups. This brings to 14 the number of active Cub packs and scout troops in Daly City and Colma, including five groups at Westlake.

The committee expects membership in this area to rise to about 600 before the end of the year, and have set a goal of 1000 cubs and scouts for the Daly City area by the end of 1956.

In addition to the business district solicitation, parents and leaders are conducting a house-to-house canvass in their neighborhoods during the next two weeks.

Scouts are delivering an attractive little pamphlet, telling of the work of the Scout organization, and adults will follow this up with evening calls next week and the following week, until as many homes as possible are called on. In addition to accepting contributions for the extension of scout-

ing in this area, adults will be looking for potential new leaders and sponsors for the dozen new packs and troops to be organized during the next 12 months.

IT'S EASY TO SOUND THE ALL-CLEAR

While most of the western states were preparing for an enemy attack two weeks ago, Daly City and 12 other San Mateo county cities were going about their workaday life, blissfully unaware of what might have been a ravaging air attack.

Not a single air raid alarm was sounded in San Mateo county. There was nothing wrong with the alarm system. The alert was recorded here, but by the time local police had made inquiries at a dozen different centers as to what the warning meant, the all-clear was sounded.

Bombs could have blasted the county to kingdom come in that interval.

The confusion came here, as throughout the county municipalities, because there was no advance word of the test alert.

There shouldn't have to be.

An air raid test should determine whether communities are ready to prepare themselves for possible attack and subsequent disaster and panic.

The recent test showed Daly City and the rest of San Mateo county weren't ready.

Probably the snafu test will act as a blessing to this county's civil defense preparedness by pointing out its appalling inadequacy.

The county cities CD director gave the simple solution: "The first thing to be done on receipt of the yellow alert is what was not done at all May 5—sound the air raid siren."

When the siren sounds it should be considered the real thing. It's easy enough to sound the all-clear later, in the event of a test, but would be irrevocably too late to sound the alarm after the aircraft were overhead.

Can School Boards Foresee The Future?

We believe boards of trustees of the two local school districts should review their rejection of a proposal for a county coordinating committee, staffed by professionals, to foresee future building needs.

Both boards have considered the plan, but have tabled it, proclaiming that they have adequately predicted future growth and have taken measures to accommodate the increases in enrollment.

Local educators were saying the same thing 20 years ago.

Because of shortsightedness in previous years, the two districts find themselves today with more students than facilities, and no sooner do they eliminate double sessions than they find themselves with a new bumper crop of babies, forcing a return to the horrendous split schedule.

Board members, no matter how diligently they apply themselves, are not experts in population growth and subdivision prospects, and cannot be expected to employ clairvoyancy in their future planning.

If the two boards have accurately foreseen future growth of this area, their prognostications will be born out in from five to ten years.

But taxpayers and parents of the districts cannot afford to take that gamble.

The county coordinating survey group would be financed cooperatively by schools participating.

Cost of such a growth prospectus proposed by the group would be minuscule compared to the cost of buying land and building schools where no long-range provision had been made for these facilities.

The pocketbook and education of children, both of paramount importance to taxpayers, may be endangered by the two boards' reliance on their own ability to foresee developments five and ten years hence.

POPPY DAY OPENS HERE TOMORROW

Tomorrow is Poppy Day. Members of Daly City Unit of the American Legion auxiliary will be on the streets early with their coin boxes and thousands of red crepe paper poppies.

These poppies are made by veterans who cannot leave their beds. Auxiliary volunteer hospital workers bring them the materials and take away the finished poppies. Others sit in wheel chairs at their bedside, or go to recreation rooms. For veterans outside the hospitals yet unable to do regular work, the Auxiliary's poppy workrooms offer opportunity for employment, according to Mrs. Grace Hill, publicity chairman.

Some of the men making poppies are World War I veterans of advanced age, who have spent many years in the hospitals and are highly skilled in the work. Others are younger men from World War II, while others are mere boys who received their disabling injuries in Korea. The veterans of all three wars work side by side, helping each other, with older men teaching the less experienced the fine points of poppy making, Mrs. Hill states.

Approximately 12,000 veterans have been given employment in this program and the total number

STITES STUDIES BIDS ON DC STREET WORK; LOWEST IS \$21,542

The city council Monday night delayed award of bid for resurfacing five Daly City streets pending investigation by City Manager Howard Stites of the eight bids submitted. Lowest was by O. C. Jones & Sons for \$21,542.50.

Resurfacing is planned for Brunswick street, Crocker avenue, San Diego avenue, Hillcrest street and School street.

Other bids submitted Monday night were: Lowrie Paving company, \$21,638.50; Bragato Paving company, \$21,752.50; Pacific Pavements company, Ltd., \$22,092.50; J. Henry Harris, \$22,394.50; Fay Improvement company, \$22,721.00; Charles L. Harney Inc., \$23,160.50; and Eaton & Smith, \$25,360.00.

George Washington was born in Westmoreland county, Virginia.

The southernmost point in the United States is Cape Cable, Florida.

made is expected to exceed 25,000,000.

The auxiliary asks that residents take the opportunity of service when meeting one of the Auxiliary volunteer workers tomorrow.

PREVIEW of the Jefferson High Senior Ball Friday is shown as Diane Valentino tries on her blue net formal gown. Diane, one of 226 graduating seniors who will graduate on June 16, is the daughter of Mr. and Mrs. Sam Valentino of 327 Westlake avenue. Here Mrs. Valentino adjusts the hem of her daughter's first formal.

THE RECORD photo

JEFF HIGH SENIORS READY FOR BIG DAY

Jeff High graduating seniors—226 in all—are already forgetting their four years of high school education as they are engulfed in a gay round of events reaching a climax on June 16 when they receive diplomas.

Eighteen-year-old Diane Valentino, daughter of Mr. and Mrs. Sam Valentino of 327 Westlake avenue, typifies the 1955 girl graduate. She, like 54 other girls in her class, has decided to go to work directly from high school. Luckier than some, Diane has already found work in a job at THE RECORD.

Diane, if she had decided upon a college education, would have swung the balance to more college aspirants than career girls. A total of 54 girls will work toward higher education, College of San Mateo proving the most popular with 21 girls signed. Running a close second is San Francisco State with 19. Both Stanford and University of California will receive one girl graduate. Two girls will attend nursing school and four are undecided as to specific college.

Thirteen Teachers
Of the girls attending college, 13 plan to enter teaching. Less popular fields include dental assistant courses, business, cosmology, mathematics and journalism.

Diane, like all but three of the girls in her class, is unmarried and has no immediate plans. Unlike the girls in the 1955 graduating class, most of the boys plan to attend college. Of the 117 total, 65 will enter college after leaving Jefferson. Twenty boys will enter the service, and a total of 32 will go directly to work.

College of San Mateo continues to hold its own on the male side of the graduating class. A total of 49 boys have indicated that they will attend.

The University of California will draw seven graduates, and San Francisco State college will receive six. Davis, Pasadena and University of Alaska have been chosen by one each.

Engineering Popular
Engineering and architecture prove to be the most popular with the boys with 23 indicating they will enter related fields. Other majors chosen are teaching, physical education and journalism.

Today Diane with her classmates is at Fairfax Town and Country club on the "senior sneak. Chaperoned buses will unload the students early in the morning. After a day of swimming, tennis, horseback riding, baseball, dancing and other outdoor activities, the buses will deposit the tired young people at Jefferson. The trip will be chaperoned by four faculty members.

All this activity today on the senior sneak was preceded yesterday by the traditional "dress-up" day at the school. While other less fortunate students try and concentrate on their work, the seniors attend school in all kinds of outlandish costumes. Highlight of the day is the senior luncheon.

Senior Ball

It's hard to decide whether Diane is more excited about receiving her diploma or going to the senior ball a week from today. Next Friday Diane will wear her first formal gown when she is escorted to the dance by Barry Striffler, 922 Plymouth avenue, San Francisco. Barry also is a June graduate.

Finally on June 16, Diane and Barry with the other seniors will be handed their diplomas by

School Trustee Raymond Whitney. Those graduating are:

Two For Tonight

By Leonore Brewer

At the Opera House yesterday (Thursday) the San Francisco Ballet presented the first of four performances, closing with a special children's matinee on Sunday. Once again the policy of "Dollar Ballet" will be followed. A total of 1300 seats, including 300 in the orchestra, are available for a dollar at each performance, thus bringing one of the world's great arts within the reach of all.

In addition to "Con Amore," "Beauty and the Shepherd," "Heuriger," and other ballets seen at previous seasons, there will be two premieres: "Apollo" a classical ballet choreographed by Balanchine, to be danced opening night, and "Renard" a barnyard fable that requires singers as well as dancers, which will be featured Saturday and Sunday. Both are danced to music by Stravinsky.

"Apollo" was first presented in the United States by the American Ballet at the Metropolitan Opera House, April 27, 1937, with Lew Christensen, now director of the San Francisco Ballet, in the role of Apollo. The role of Terpsichore, Muse of dancing and song, has been danced by many of the world's great ballerinas: Danilova, in the original production presented in Paris in 1928, and more recently, Maria Tallchief, who coached Nancy Johnson who will dance it opening night.

The appearance of Miss Johnson (Mrs. Glenn Jackson) is of special interest to local people, as she is a Daly City resident. In addition to dancing the above named role, she will also appear in "Beauty and the Shepherd," in the role of Helen of Troy. This ballet is scheduled for Friday evening.

"Renard" tells the story of the attempts of a fox to make a rooster

SGT. HANSEN IS SUED FOR \$125,000

City of Daly City and Police Sgt. David Hansen were named as defendants in a \$125,000 damage suit filed Wednesday in Superior court by a Belmont father on behalf of his 16-year-old daughter who was injured in a traffic accident July 23.

Irving O. Smith, 1049 O'Neill avenue, filed the suit for himself and his daughter, Laurealee.

She was a passenger in an auto which collided with Hansen's patrol car at the intersection of Junipero Serra boulevard and Knowles avenue. She suffered multiple facial fractures, a basal skull fracture and other injuries named in the suit as permanent, disabling and disfiguring.

According to the suit, Hansen was "reckless, negligent and careless in operating the vehicle."

One of San Francisco's outstanding tourist attractions is world-famed Fisherman's Wharf.

Weekend crashes accounted for 13,980 killed and 678,000 hurt during 1954.

descend from his perch. Each time the fox is foiled and the rooster is rescued by his friends, the ram and the cat. In its first American stage production by Ballet Society in 1947, the role of the Rooster was danced by Lew Christensen, who has choreographed the present interpretation of the work. The characters, in the order named above, will be danced by Carlos Carvajal, Conrad Ludlow, Fiona Fuerstner and Louise Lawler. Their voice counterparts will be Raymond Mantou, Gregory Millar, Edward Jones and Allan Louw.

Two ballets not seen in recent years will be given this season: "Le Gourmand," and "Jinx," both choreographed by Lew Christensen. The former has music by Mozart and in the tale of a glutton whose ambition is to make a pig of himself, he other ballet, "Jinx," has been on loan to the New York City Ballet Company under the exchange arrangement set up whereby repertoire and personnel are shared by the two companies. It is a dramatic ballet about circus performers and is danced to Benjamin Britten's "Variations on a Theme by Frank Bridge."

Letters To The Editor

Better Schools League Lauds RECORD Publicity

The League for Better Schools, through its executive committee, wishes to thank you for the splendid cooperation you have shown during the past several months both in informing the public about the activities of the League and in publicizing the candidates for election to School Trustee, Jefferson Elementary School district.

The recent election, the second in which the League has participated, illuminated two points: (1) a body of interested citizens, such as the League, can be successful in encouraging highly qualified persons to become candidates for election to School Trustee; and (2) a job remains to be done if more persons are to show their interest in the activities of the School Board by going to the polls. In this election less than 10 percent of the 10,669 eligible voters showed sufficient interest in the affairs of the school district to cast a ballot. On the other hand, the five persons who sought election pledged their time and energy to use their ability and to maintain their interest in the affairs of the district for a period extending over many months.

I am certain that the voters, potential and real, join the League in thanking all candidates for their unselfish interest in the affairs of our schools and in their willingness to serve as School Trustee.

Sincerely yours,
J. J. Eller, President
League for Better Schools

Thanks Friends For For Sympathy At Death To The Editor:

May I take this opportunity to extend my thanks to the many friends and neighbors for their expressions of sympathy, flowers and spiritual bouquets in the recent loss of our dear husband and father.

A very special note of thanks to Sgts. Dean Woods and August Benassini for their special kindnesses and assistance.

Thanking you for this courtesy, I remain,

Very truly yours,
Mrs. F. J. McKeown

Jim Rector, Ron Riggs, Robert Riley, Richard Rodriguez, Sidney Rodriguez, Harry Sampson, Roger Saunders, John Schwainger, Maurice Sciaroni, Larry Sciutti, George Seger, James Selsor, Michael Sibitz, Ken Smith, Richard Smith, Clark Souza, Bob Stone, Bill Storch, Barry Striffler, Tony Tapia, Ed Temple, Carl Thomas, John Wallinga, Brian Van Paul, Richard Watso, Darrell Wilcox, Bob Wilkins, Bill Willers, Milo Williams, Fred Watson, Wesley Yates.

VFW Auxiliary Lauds RECORD's 'Cooperation'

At this time I wish to take the opportunity to thank THE RECORD for the very fine cooperation we have received during the past year for our publicity.

We must have this publicity to make our various projects a success and to acquaint the public with the things that are done with money that is donated. All money derived from the sale of poppies is used to help veterans and families in distress, and for cancer research.

Thank you again for myself and on behalf of Old Glory auxiliary 2044 VFW.

Marjorie Johnson,
Publicity Chairman

OLPH Mothers' Club Thanks THE RECORD

Mrs. Anthony Ricci, President of the Mothers' Club of Our Lady of Perpetual Help school, has instructed me to thank THE RECORD for the generous cooperation we have always found in publicizing our many charitable and school affairs.

Personally, I wish to add my thanks also. As I am finishing my year as Publicity Chairman I realize that many of our successful enterprises might not have been so successful without The Record's unfailing help and courtesy.

I shall miss doing business "at the old stand."

Best wishes for your continued success as the "voice of Daly City."

Very truly yours,
Mrs. Achille A. Liberti
Publicity Chairman

Mrs. Eason Appreciates Publicity; States Duties

I would like to take this opportunity to thank THE RECORD for the publicity given me regarding my candidacy for Jefferson Union High school trusteeship.

I also wish to express my sincere appreciation to all my friends who supported my candidacy for re-election to the board.

A school trustee should remember that she is elected to serve the public and should endeavor to be responsive to their desires. She has an equal responsibility to furnish the best teachers and leadership in school affairs and to see that school moneys are spent carefully and at a level where it will benefit our children.

I have accepted all the above responsibilities during my eight years in office and will continue to do so.

Sincerely,
Anne Eason

position of librarian. Named to the physical education post was Mrs. Helen Muller, while Ruth Fisher was approved as librarian. Both are currently classroom teachers in the local district.

The board also approved hiring of the following instructors: Miss Cleo Andersen, sixth grade; Mrs. Georgina Beck, kindergarten; Miss Cynthia Brown, fourth; Miss Ruth Cornell, third; Miss Marjorie Dennerlein, third; Mrs. Mildred Griswold, second; Mrs. Margaret Herzer, second-third; William Jones, fifth; Miss Irene Usikal, third; Miss Elizabeth Welp, eighth; and Miss Barbara Williams, first.

Resignations of six instructors were accepted. They were: Mesdames Irene Dowd, Gloria Shafer, Jeanne Ilg and Billie Brown; Messrs. Kenneth Ryan and Charles Morrissey.

Mrs. Geraldine Rhodes was granted indefinite leave of absence, although Weibel said tenure rules state that an instructor must return within 39 months in order to assure placement.

Signatures on adjusted salary contracts of Forrest Simoncini and Sybil Abbott, new teachers, were withheld pending next Wednesday's salary meeting.

Ruth Deming was hired as book room clerk.

Newspaper Boy Calls Fishing Trip Off; His Equipment Was Stolen

A fishing trip planned by a 13-year-old newspaper delivery boy was called Saturday when his fishing equipment was stolen from a bus stop shelter on Alemany boulevard near Park Plaza drive.

Ronald Clay of 160 Dunk street, Colma, told police that he had left two rods, reels and a metal box in the shelter while on his delivery route early in the morning. He had planned to go fishing after finishing the route.

Police said that the equipment was valued at \$25.

TV and Radio

By Mona Baker

PERSONALITY SKETCH

The tables were reversed this week on our "television personality" instead of his doing the interviewing as part of his job... he was in the spotlight! Gordon Grannis, promotion and publicity manager of KQVR, is our local television personality for this week and another resident of Daly City. In his capacity as publicity representative for Channel 13, he is usually busy promoting his station and programs, and interviewing other people.

A background of both radio and television make up the career of KQVR-TV. His interest in radio began following the war where he secured his first position at KSFH, FM station in the Fairmont hotel, and where, he related, he did everything concerned with running a radio station... including sometimes sweeping out the place.

"Captured" by SF

Born in the small pioneer town of Bovill, Idaho, he grew up in the mountain state and attended the University of Idaho at Moscow. After three years his college career was interrupted by the war where he served as a naval supply officer in the South Pacific. While he was awaiting his discharge from the Navy in Bremerton, Washington, he was advised that San Francisco was the place for him to continue his career in advertising. Also as has happened with so many service personnel, while passing through he "City by the Golden Gate" he was captured by the charms. So he returned to the Bay Area and graduated from the University of California with a major in advertising.

One of the very early residents of Westlake, Gordon and his wife Marjorie live on Wilshire avenue. Mrs. Grannis teaches kindergarten

in the Farragut school in the Ingleside district of San Francisco.

Community Pride

As with all the other residents that we have talked to, they are very proud of our community and enthusiastic about living in Daly City. They helped in the polo drive for this area, and Mrs. Grannis worked on the community concert drive.

The publicity director of Channel 13 has a hobby... he admitted with some chagrin, because he said he is sure the neighbors are aware of it too. He belongs to the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America and is treasurer of the San Francisco Chapter and a member of the "Cable Car Four" Quartet. They have practiced upon occasion at his home in Westlake.

As to plans for the future, Gordon said that maybe someday when he is "real old" he would like to teach in college and conduct his classes according to some ideas that he has. Right for the present, he is most enthusiastic about the progress of KQVR, and plans for future expansion which includes some of their programs originating in San Francisco.

KIDDIES' CORNER... The program that we are going to recommend this week is one that is usually not thought of as a children's program. However, we feel that the program is a good one to make history real for children. We are referring to the excellent documentary program "Calvacade of America" (KQVR-TV, Tuesdays, 7 p.m.) which dramatizes historical incidents in our country and present day problems. We watched the program which told the story of the development of small pox vaccine and the part President Thomas Jefferson played in the experiments. The program was particularly timely because of the discussions about the small pox vaccine. The program is a stimulating one and we do recommend it for the bicycle set as well as for the adult members of the family.

Enlightenment

It is with a great deal of pleasure that we have been following closely the National Broadcasting Company's current campaign of "Enlightenment Through Exposure." This policy covers the entire field of programs from children to adults. As we have continued to stress in our columns...

NEW CRACKDOWN ON DUMPING IS URGED BY BOCCI

Municipal Judge Thomas L. Bocci this week urged renewed efforts to gain arrest and conviction of all persons dumping garbage on public property.

A wave of dumping in this area prompted the statement. Bocci said citizens can assist law enforcement officers in curbing dumping by reporting all persons committing infractions.

The judge's policy has been to levy a \$50 fine on persons found guilty of illegal dumping and there is a possibility the amount of penalty may be increased, Bocci

programs can be entertaining as well as informative. The National Broadcasting Company is now working toward transforming its most popular children's programs into a skilful blend of entertainment and education. To supervise the children's programs Dr. Frances Howell, KRON-TV, 10 a.m., Monday through Friday) and a leading authority on primary education has been named to the new post of Supervisor of Children's Programs for NBC and will take up residence in New York next month.

FOR THE TEEN-AGER... Bubbling all over with umm, umm, umm and oh-h-h-h... petite vivacious Patty Prichard is the star of her own musical show which has

just moved to a new time on KPX and is seen every Wednesday, Thursday and Friday at 2:45 p.m. The program moves right along... the stage settings are clever... and with lovely Patty at the helm, the show should have appeal for young and old, particularly the teen-ager in your family.

Dr. Harold Gunderson, Iowa State college agricultural extension specialist, considers TV to be his seven-league boots. In October 1952 he spent three hours of preparation for 3 TV shows on rodent control which brought 3000 requests for his material. Compare this response, time and effort with the previous 12-month period which involved 23,929 miles of travel, 108 meetings and 261 farm visits to reach 4,912 people.

SPRING FESTIVAL AT DC CENTER DRAWS 400 PEOPLE

A crowd of 400 persons was on hand Sunday at the community center for Daly City's Eighth Annual Spring Festival.

The musical program opened with the playing of "Star Spangled Banner," followed by crowning of Queen Jean Bell of Westlake school by Mayor Joseph Verducci.

Miss Bell's royal court included: Joanne Fanucchi, Colma Primary; Susan Hess, Benjamin Franklin; Candace Delzelle, Garden Village; Pamela Gray, Gen. Pershing; Donna Dillaboy, Jefferson; Mary Ann Brakebill, Olympia; Patricia Plyer, OLPH; Diana Pucini, Woodrow Wilson; and Judy Hirschberg, 87th Street. Ring bearer was Richard Benard of Village Play school.

Program included: Jeannette and Clarita Flores, piano duo; Shirley Rentsch, piano solo; Richard Bradford, trumpet solo; Mary Jean Marchetti, vocal solo; Richard and Douglas Bradford, trumpet duo; Marie Elena Morrison, vocal; Toni Sittera and Mike Maffei, vocal duo; Debbie Hyers, vocal solo; Carol Rae Dancers—Linda Swedberg, vocal solo; Domino Sisters, acrobatics; Anchors aweigh, chorus number; and May Day Ballet.

Paul Lucia, trumpet solo; Darrell Hutchinson and Gene Firth, piano-vibraphone duo; Robert Johnson, accordion solo; Mary Ann Gensel, piano solo; Mike Maffei, vocal solo; Robert Johnson and Robert Gutierrez, accordion duo; George Metrange, piano solo; Robert Gutierrez, accordion solo; Phyllis Ann Diltz, piano solo; Cecile Champagne, dancing doll; Gerold Rutherford, accordion solo.

The Festival was presented by the Daly City recreation department, in cooperation with the Daly

didate, Hartley Appleton. The contest for the second trustee position was one of the closest in years, with Guido De Ghetaldi finishing just four votes behind Appleton with 349. Kraus and Appleton will serve three-year terms.

The two other candidates, Irvin Silberstein and Lucille Moses, polled 312 and 288 votes, respectively.

Unofficial figures showed that 1056 elementary district electors turned out, a fraction of the 10,667 registered.

A moderate decrease in automobile accidents was reported in 1954.

City Garden club and PTA coordinating council.

While the 400 attendance was below last year's figure of 1000, it was considered good inasmuch as this was the first time the annual festival was held in the community center, according to James Mason, recreation director.

DC SALESMAN PLEADS GUILTY TO SPEEDING, RECKLESS DRIVING

A 40-year-old local salesman pleaded guilty to two of three counts in Municipal court Tuesday.

Jerry Mulville, 40, of 38 Second avenue, was picked up by police last weekend on Mission street and charged with reckless driving, speeding and failure to sign a citation. The last charge was dropped in court.

Police said that they arrested Mulville after a mad chase down Mission street during which time Mulville's car almost struck two other cars and nearly turned over.

The salesman was ordered by Judge Thomas L. Bocci to pay \$75 of his \$100 bail in fines.

Village Notes

By Gwin Mitchell

In all the rush and excitement of things which must be done before school closes, it's nice to know that there are some relaxed moments, such as the luncheon hour to which Olga Rizzo invited Ruth Brown, Peggy Northrop, Evelyn Alexander and Emma Aiello to share with her, down Stewart Street way. Of course, there was the usual tribe of children!

Things are back on schedule—there are some new babies to tell about this week! The Carl Wandts welcomed their first girl, Judy Lynn, who was even more welcomed by big brothers Gary and Carl Jr. The combined weight of the residents of Foothill increased 6 lbs., 10 oz. First baby department was taken care of by 6 lb., 8 oz. Eugene Ray Tapia, whose mother Joann is just as proud of him as she can be, to say nothing of the rest of the family on Sweetwood.

Gary, Ronnie and Kenny Stettler, in company with Johnny Murphy, took father Herb to the circus the other day, and we heard that Herb came through pretty well! Could be it was because he picked up reinforcements when he met his parents, Mr. and Mrs. Alfred Stettler, at said circus! We also heard that Mr. Stettler walked off with most of the prizes at the Rose Show recently, including a cup for the most perfect rose in the show. Anyone who wants to beat that record will have to grow roses longer than the 25 years he has spent at it!

Show Biz, junior style: Nancy Swoverland and Patty Alba joined a group of other young ladies and sang and danced "Peter Cottontail" in a recital given at the Laguna Honda Home. Shelley Alba was there, too, all dressed up as "Little Miss 1955" for her solo number. 87th street can be mighty proud of these three talented little girls.

The business in soda straws at King's Market must have been rushing after Ray Duste used them to illustrate the different tones produced by various lengths of reed in an oboe. All the young musicians in Broadmoor found them very interesting musically! Ray and Walter Subke had solo parts in the Little Symphony's presentation of "Peter and the Wolf" on KQED. Ray with his oboe, Walter with his flute. Ray and Verna welcomed conductor Gregory Millar, pianist Roslyn Frantz and the members of the orchestra to a buffet supper at their Washington street home after the telecast.

MacArthur lost a family recently when the Otto Theels moved to Kansas City, Missouri. We're sorry to see them go, and wish them luck and happiness in their new home—"back east!"

Seems a group of youngsters in the Nimitz-Midway area decided to form an expedition and go exploring in the Willows not so long ago. They rounded up quite a few miscellaneous supplies, but they forgot the most important thing—to tell any of their mothers where they were going. So it took some frantic searching by some pretty frantic mothers until they were found and brought home to suffer the consequences. Seriously, the Willows is no place for any of our children to play; there are all sorts of hazards there, including water which could be pretty dangerous to drink. With summer coming on and all the children going to be outdoors so much, we thought this might serve as a reminder for everybody's safety and peace of mind.

87th street's Mel Hahns had an enjoyable weekend when Dr. and Mrs. Floyd Turpin, friends of theirs from Ukiah, came down for a share her eighth birthday.

The teen-age group of the Broadmoor Presbyterian church has 16 classmates, friends and neighbors clustered around his birthday cake when he turned 8. Wildwood avenue rang with the fun! Sweetwood had his share of party, too, when Linda Leazer invited 18 classmates from her second grade group at Holy Angels school to share her eighth birthday.

Not to be outdone by the younger set, Betty Hyndman had a birthday, which she celebrated by flying up to Reno in company with her husband Ed, and Don and Ruth Childers for a gay evening. Extra excitement was added when the car ran out of gas on the way to the airport, with minutes to make the plane! Needless to say, they made it!

The teen-age group of the Broadmoor Presbyterian church has been busy lately. First, there was the Youth Presbyterian dinner in San Francisco, at which Gwen Anthony was elected and installed as Outreach Chairman, with Edith Mullen, Bill Lamson, Barbara and Donna Fisher, Frances Rosso, Jean Roller and Jim Treanor in proud attendance. Then there came the Golden Gate District dinner, with Jim Treanor being elected and installed as Moderator of the District. Beth Brownlee, Nancy Golladay, Barbara and Donna Fisher, Edith Mullen, Jo Ann Mowatt, Bill Lamson, Gwen Anthony, Dick Mayville, Jean Roller and Claire Wittig were all there. The group's advisors, Mr. and Mrs. Gordon Gregg, accompanied them to both dinners and joined in the general gladness about Gwen and Jim. Incidentally, the Golden Gate District is going to have a picnic at Tilden Park, Berkeley, at 10:30 a.m. on Saturday, June 4, so parents of this busy bunch are herewith notified to have a well-equipped sandwich department ready!

When Den 4, Cub Pack 84, went for a tour of the Japanese tea garden, guess who gave Den Mother Madeline Feist the wettest problem of the day to handle? None other than son Gregory, who proceeded to fall into one of the ponds! Cheer up, Madeline—the first 100 years are the hardest!

Sorry to have to say there's a sick list, with Michael Garner entertaining whooping cough, Lynn McCarthy choosing scarlet fever, and Stephanie Winter and Jan Rizzo being nabbed by the flu bug on its way out after too long a stay around here. By this time, they ought to be pretty well over all their troubles, we hope.

Edith Warmoth, over Louvaine direction, had flu too, but she got over it in time to celebrate her eighth anniversary with husband Joe, going out for dinner and the evening.

Louvaine has been one busy street! Al and Carol Courtney went to two dances in two nights—the San Francisco Rod and Gun Club dance and the Game Warden's dance. And Tom Ganter, Roy Krueger and son Billy, Ray Johnson and Cec Pinney went all the way to Nevada County a-fishin' for trout and brought back—1 apiece! Anyhow, they had a good time!

Aleen Johnson was really surprised when she went to Martha Pinney's souze to return a coat and found herself at her own baby shower! Martha was hostess, and Edith Warmoth, Janet Rizzo, Gracia Krueger, Mary Lichtenberg, Cleo Cheskey, Sylvia Florio, Bea Ganter, Lorraine Bjorkquist, Jeanne Morgan and Patty Lejeune all joined her for the evening's good time.

Our town was full of surprises these last few days. Seems the seventh grade girls from Holy Angels school all went on a hayride the other evening, with Marjorie and Jim Shields, Bea Ganter, Flo and Bud Thieman and Opal and Marty Berlin in attendance. The ride ended at San Bruno Park with a wienie roast and a surprise 12th birthday party for Mary Beth Ganter. Since the evening was a bit windy, the rake was carried back to the Shields' home on Wildwood Court, to be properly cut and enjoyed!

The Bud Hinks from Maddux bought themselves a place up Russian River way for weekends and days off and vacations and things, and have been busy painting, etc. Seems the house is about 50 years old, complete with the original Wedgewood stove—the wood-burning type! Everything was going nicely during one painting session, when the lights decided to go out. When Bud tried to climb down to fix them, he and the paint sprayer got entangled and went down in a grand jumble of paint, furniture and bruises! Needless to say, Bud has only recently had the tape removed from two cracked ribs. He's kept at it, though, and the house is really shining!

Girl Cab Passenger Hurt In Minor Collision Here

An 18-year-old girl, a passenger in a Yellow cab, suffered minor injuries Saturday evening, when the cab was involved in a collision at Brunswick and Evergreen streets.

Treated at Junipero Serra hospital was Gail Meyers, 972 Vienna street, San Francisco.

Driver of the other car was Leslie Arlin Luna, 24, 1125 Brunswick street, and driver of the cab was Bernard J. Rosenberg, 43, 708 McAllister street, San Francisco. Neither driver was cited.

VFW Women Holds Evening Installation

Lake Merced auxiliary VFW held installation of officers Saturday evening in the War Memorial building. Assisting in the ceremony were the 15th District county council drill team, the choral group of the Women of the Moose, and Lillian Faber, pianist.

All ladies present were gowned in pastel-colored evening gowns. Honored guests were Gertrude Collins, 15th District president; Iva Neeley, past department president; Mary Rudd, 12th district county council president; and Mrs. Johns, past president of the Broadmoor American Legion auxiliary.

Past Treasurer Stella Magvoun and Past Musician Lolita Nygren were presented with three-year pins by Past President Rose Fisher. Mrs. Fisher served as installing officer, and Hazel Eagleton and Hilda Stettler served as installing conductresses.

Refreshments were served on a rose-laden table.

Marian Club Plans Bazaar

The Marian Club Bazaar to be held Sunday, June 5, in Our Lady of Perpetual Help school auditorium promises to be an outstanding event in the short life of the teen-age group.

The bazaar will open at 9 a.m. and continue to 5 p.m. Breakfast will be served in the morning and refreshments will be available all day. There will be a cake and candy booth; ham and bacon booth; doll booth; two amusement booths for children and a handicraft booth that will feature articles made by the youngsters.

Proceeds from the bazaar will be used to finance the project activities of the Club which include the band, drill team, girls soft-ball team, boys baseball team, discussion group and glee club.

Father James Bergin, honorary chairman of the bazaar, points out that the nation of tomorrow is the youth of today and all thoughtful citizens recognize the necessity for encouraging and inspiring them in their aspirations for good, wholesome activities.

Peter J. Markovich, chairman of the sponsors committee, announces the following will act as sponsors for the bazaar: Harold P. Brad-

FIFTH GRADE

MISS G. KEARNEY
Recently the student of Room 4 visited the Wells Fargo Bank in San Francisco to see the collection of mementoes of the gold-rush days.

One of the many interesting exhibits was a Concord stagecoach which ran in the early days between what is now Placerville, California, and Carson City, Nevada.

This week the class had a painting lesson and some of their work was quite nice.

MISS G. KEARNEY
by Ronald Bontempi
For the past three months we have been studying South America and now we are studying Canada, and soon we are going to work on Alaska. Our arithmetic and spelling assignments will be completed in a few weeks.

We have been doing a great deal of science, especially astronomy. Our reading is coming along very well.

We have been experimenting with clay, making all different shapes and forms. Now we are putting glass in the bottom of a clay mold. The mold is made with an eraser and a rag. Some of the clay work with glass in it has come out very colorful.

New Dodge Custom Royal Lancer. Other Dodge models priced below many models in the "lowest price field."

Some things you can see right away that tell you this is the year of the big Dodge move. (Sales have doubled over last year!)

You can stack the new Dodge up against other cars in its field, and see how much larger and more luxurious it is: Up to 9 inches longer than competition.

You can see the distinction of new Dodge styling, with eager lines that are stealing the "OH's" from the costliest cars. The

swept-back sweep-around windshield. The "sparkle" of twin-jet taillights and three-tone color combinations. The beauty of Jacquard tapestry interiors.

But more important than this is the deep-down dependability engineered into every unseen part and feature of this great Dodge!

That is something you discover through the years and over the miles. It is your sure reward for choosing the new Dodge.

Jeff Hi Advertises For 200 New Desks To Meet Enrollment

Bids for 200 chair desks to handle the anticipated enrollment increase next year were called for Monday night by the Jefferson High school district board of trustees.

The desks will cost an estimated \$5000. Bids will be opened June 13. In commenting on the need for seating equipment, Superintendent Stanford Hannah estimated next year's enrollment at 1750.

The board also discussed purchase of 800 additional hall lockers, 200 boys' gym lockers, and an undetermined amount of baskets for girls' gym classes.

The board received letter of thanks from Leo J. Grenier, brother of Jefferson graduate David Grenier who was killed in action during World War II. Grenier commended the administration and student body for the program held Thursday, in which Spanish American War Veterans presented the student body with the flag that draped his brother's casket.

Trustees were informed by Hannah Monday that the district will receive \$10,251.45 funds under Public Law 874, which provides allocation for students whose parents live or work on government property.

OLPH MOTHERS ELECT OFFICERS

At the May meeting of the
Mothers' Club of Our Lady of Per-
petual Help School, nomination
and election of officers for the
1955-1956 term took place, with
the following results: Mesdames:
Dorothy Carrington, president;
Virginia Stanley, vice president;
Audrey Sallade, recording secre-
tary; Evelyn Mosman, correspon-
ding secretary; Rose Fair, financial
secretary; Jeanne Haney, treas-
urer; Louise Lofrano, auditor.

Installation of officers, as well
as the Board of Directors still to
be elected, will take place at the
next regular meeting of the Moth-
ers' club on June 9. Graduation of
the eighth grade will take place on
the usual meeting night.

It was decided that the Moth-
ers' Club would once again, as has
been their annual custom, serve
breakfast for the eighth grade
after their Graduation Mass and
Communion June 10.

One of the highlights of the
meeting was Mrs. Rose Fair's re-
port of the history of the Mothers'
club, with most of the emphasis
upon the events of this past suc-
cessful term.

The Sisters of St. Joseph of
Orange were present at the meet-
ing and the principal of the school,
Sister Superior M. Regina made
a few gracious remarks to mem-
bers assembled. Father Norman
Allen, the Club's moderator, also
spoke to the members.

The first grade won the attend-
ance award with the most moth-
ers present. The first grade, un-
der the direction of Mrs. Jeanne
Haney, room mother, acted as
hostess for the evening.

BAYSHORE-MIDWAY PTA LUNCHEON FOR FACULTY IS NAMED SUCCESSFUL

The luncheon for the Bayshore
and Midway faculty, given at the
home of Mrs. Dominik Caloiaro
recently was a most successful
event, according to Mrs. Kenneth
Hansen, publicity chairman. Wel-
comed back to school duties was
Miss Natalie Lipman, superinten-
dent, and Mrs. Beatrice Bethune,
third grade teacher.

Teamwork in action was put
into immediate effect when the
PTA officers and committee chair-
men undertook the sale of re-
freshments and joined with the
faculties of the Bayshore, Midway
and Brisbane Schools to make a
success of the joint Spring Festi-
val held Sunday. Folk dancing
was performed by the students of
the three schools and the orches-
tra and chorus groups combined to

DALY CITY WOMAN WINS THIRD PLACE IN PAINT CONTEST

On Wednesday evening at 7 p.m.,
May 25, 1955, at the Emporium in
Stonestown, the Glidden Paint
Company "Festival of Color" Con-
test Winner were selected by Miss
Patty Pritchard, KPX star. The
contest began April 27 and ran
through May 14.

There were over 100,000 people
who filled out registration forms
for the Glidden "Festival of Color"
contest and the winner of the
third prize for the western area
was Annabelle Davies, 339 Wood-
row street, Daly City. Her prize
included painting of home interior,
including materials and profes-
sional labor up to a value of \$300,
or \$250 in cash.

Mrs. Annabelle Davies filled out
her registration form at the Daly
City Blind and shade, which is the
local "Top of the Hill" Glidden
Paint dealer, located at 40 Hill-
crest drive.

In 1954, 35,000 Americans were
killed in traffic accidents.

Good Turnout At Rec Hardball Meet

An enthusiastic turnout of 20
managers was on hand Wednesday
at the community center for or-
ganization of four Daly City rec-
reation department hardball
leagues.

Number of the leagues was
upped from three to four because
of the "tremendous response to
the league," according to Director
Lou Martin. In addition to the
Midget, Little, and Junior leagues
conducted last year, this year will
find an Intermediate circuit in
operation.

The Intermediate league will be
open to youngsters from 13 to 14
years of age.

Play in the Little league opens
June 18, while the other three divi-
sions get underway June 25.

OLPH SUDS THUMP ST. JOHN'S FOR FOURTH CYO WIN

Ed Coleman and Sonny Martinez
pasted homers, while Howie Mc-
Kee tripled as OLPH Suds walloped
St. John's, 17-3, Saturday
at the Jefferson High diamond.

The win gave OLPH a 4-1 record
in the CYO league and 12-2
overall mark.

Sharp fielding play by Larry
Caratti helped hold St. John's in
check. Jerry Kennedy, along with
Coleman, Martinez, and McKee,
were the top hitters for the Suds.

Tomorrow (Saturday) OLPH
faces a recreation department
team in a practice game at March-
banks beginning at 1 p.m.

BILL KENNEDY AND COUSIN CAPTURE K OF C GOLF TITLE

Bill Kennedy, Daly City electrici-
an, and his cousin, Mel Kennedy,
both of the San Mateo Council,
Knights of Columbus, brought the
State K of C championship to
northern California for the first
time as they downed the southern
representatives Saturday at San
Jose Country club.

The local duo topped southern
California champs Fred Reger and
Omar Stock in the playoffs, 3 and
2.

Former Broadmoor Playground For Sale

The former Broadmoor play-
ground on MacArthur boulevard
near Midway will be sold by the
Jefferson High School district.
trustees decided Monday.

They voted unanimously to ad-
vertise for bids on the land, with
the stipulation that they could re-
ject all proposals if under the es-
timated value of approximately
\$2000.

The playground was recently dis-
mantled and equipment, owned by
Broadmoor Property Owners as-
sociation was donated to Jefferson
Elementary School district. The
high school district had allowed
the property group to use the 55
foot by 100 foot site as a play-
ground, but decided to sell the
land after the BPOA abandoned the
facility.

In 1954, 35,000 Americans were
killed in traffic accidents.

Rector To Compete In State Meet

Miller Jim Rector will be the only
Jefferson representative among
the seven San Mateo county track
luminares travelling south to-
morrow (Saturday) for the state
finals at Los Angeles Coliseum.

Rector finished third Saturday
in the North Coast section meet
at Berkeley.

Per usual, Ron Larrieu of Palo
Alto was out in front, winning the
mile event in 4:39.9, below his best.

Menlo-Atherton's Tom Black-
wood was runner-up, with Rector
a scant distance behind. Coach
Ernie Ribera timed Rector in
4:33.5.

The Indians' 880 ace, Rich Gon-
zales, failed to place in a race that
was won in 1:59. He put forth
his best effort, however, finishing
sixth in a 1:59.8 clocking.

Jefferson gained three points in
the varsity competition, on the
basis of Rector's third, to finish in
a tie for 22nd in the NCS meet.

The Jeff 30s finished in 18th, as
Lowell Klaisner, off his usual
form, placed in two sprint events.

Klaisner ran fourth in the 150-
yard dash that was won in 15.2
equaling the mark set by the Jef-
ferson flash a week earlier at the
NCS Group II meet.

In the 330, Klaisner wound up
in fifth spot. Again, the winning
time, 36.8, was the same as that
made a week earlier by Klaisner.

The Jefferson 30s relay squad,
which had set a new Group II re-
cord at 45.2 in the trials May 14,
failed to finish in the money. San
Mateo, which edged Jefferson by a
whisker in the Group II finals to
obliterate the fresh record with a
44.9 performance, came back Sat-
urday with a 44.5 effort, establish-
ing a new NCS record.

Five Jeff Batsmen Hit Over .300 Mark

Five Jefferson swimmers were
listed among the top 25 batters in
the NPAL baseball race just con-
cluded, according to statistics com-
piled this week.

Indian Short stop Ken Smith
ranked top for the locals, finishing
sixth in the league with .345 off 10
hits in 29 at bats.

Al Figone, third sacker for the
Daly City nine, ranked 11th in
PAL batting with .324, garnered
on nine safeties in 28 attempts.

Other Jeffs among the top 25
were: Bob Bailey, first base, 14th
with .308 on eight hits in 26 tries;
Rich Guisti, center field, 15th on
eight hits in 27 attempts; John
Murphy, catcher, 23rd on eight
hits in 28 at bats.

Jeff chucker Ray Vuillmainroy
finished in a tie for first for pitch-
ing, having a perfect 1-0 record.

Lowell Creighton, the Indian
workhorse, wound up with four
wins, three losses, while the other
Jeff moundsmen, Jim Honeywell,
had a 1-1 mark.

Thomas R. Gilbert, your Telephone Manager in Daly City

How many parts make a telephone?

If you were to count the parts in a telephone, you'd find an al-
most unbelievable number. There are 433 of them, all told. Many
of these are complex and precision made. Yet the telephone is
rugged. On the average it needs fixing only once in about six
years. And telephone people have worked out ways to make tele-
phones at surprisingly low cost. These things help us keep tele-
phone service a good buy for you. Pacific Telephone works to
make your telephone a bigger value every day.

Good way to start a vacation

This is the time of year when
many folks start thinking
about time off for a rest. And
here's a tip that'll help make
your vacation even more en-
joyable: Before you leave, or
while driving to your over-
night stop on a long trip, why
not call ahead for hotel or
motel reservations. That way
you'll make sure—in just minutes—that the rooms you want
will be waiting when you get there. And the cost is low. In fact,
you'll be surprised how far you can call for less than a dollar.
So why not take advantage of bargain long distance rates to
have the peace of mind that'll make your whole trip more fun.

Barbara Veatch is one of
a group of Service Repre-
sentatives for the Telephone
Company who does volun-
teer work at the Youth
Guidance Center in San
Francisco.

This group has organized
a charm program which has
been given one night a week
for the last two years. The
basic ideas behind good
grooming are offered to the
girls at the center in an in-
formal way with questions
freely answered. It has
been most gratifying to the
group to find such respon-
ses from the girls and from the center itself. And, the satisfaction
of a job well done makes their work more than worthwhile.

That's My Point

By Monte Dayton

Several months back, before the PAL season opened, we did a prospectus on Jefferson High school varsity baseball team's chance in the PAL.

From where this writer sat, it looked like Coach Lou Martin's nine was the most talented one to grace the Mission street campus in years.

And so it was, but they didn't win everything in sight as predicted here. They wound up with a 20-9 record, enviable in baseball circles, but happened to lose where it counted—in the league games.

Now we've learned it's better to write your "prospectus" after the season is over.

NOBODY HAD THE SLIGHTEST INKLING

Witness the Jefferson frosh-soph club. We didn't have the slightest inkling that Byron Van Alstyne's crew of peach-fuzz faced youngsters was going to win 18 straight (as of this writing, with only yesterday's game remaining).

In fact, nobody did. With a frosh-soph club, you've got freshmen who've never been in a baseball suit, or sophomores who sat on the bench in their first year.

On a frosh-soph club, the "E" for errors on the statistics book will just about tell you where the team finished. As Van Alstyne explains, most of the two players "lie-up" in clutch situations.

HIS TEAM DID JUST THE OPPOSITE

The secret of his team's success has been that they did just the opposite. In "last-ditch" situations, the yearlings played what Van Alstyne described as "flawless" ball.

Witness last week's win over previously undefeated South San Francisco.

With a score knotted 3-3 in the bottom of the seventh, the Indians got themselves in a tie, out situation with the bases loaded and three straight balls on the man at plate. The Jeffs came out of this predicament without a single run tallying, on cool, heady pitching and defensive work by the outfield. A dropped fly or a pitch that was a shade off would have meant the game. They went on to win, 5-3.

Against Palo Alto the papposes were trailing 2-1 at top of the seventh, and two outs against them.

Gary Ryan arose to the occasion, banging a double. Next two men up singled, driving in a pair of runs. Next man up, Ed Leveroni (a pitcher at that) lifted one out of the park to give the locals a 4-2 edge. Palo Alto got one in their at bats, and that was it, a 4-3 victory for the Indians.

Such play has been typical of the frosh-soph nine that has amassed the only undefeated record in the school's history. (We're taking it for granted that they won yesterday.)

Van Alstyne couldn't single out any player as the cog of the operation.

He tried to, but before he got through he had mentioned every member of the first team.

His infield, made up of Leroy Franzola at third, Ino Patron at second, Mike Wedlake at shortstop and Paul Tapia at first, is described by Van Alstyne as "excellent."

Patron, a freshman, is "phenomenal," in the coach's estimation. "Ryan in the outfield saved us on many occasions with unbelievable catches," Van Alstyne continues.

COACH GOES RIGHT DOWN THE LINEUP

Barry Haanen at centerfield is described as the best hitter on the club. Catcher Bill Strassburger made exceptional throws to catch runners at first, second and third, Van Alstyne says.

Delmar Scott, at right field, "was slow in coming along but developed into a very good hitter."

Then, of course, there's Pitcher Leveroni, who ran up seven straight league victories. Leveroni's main asset was control, unusual for a second-year player. The strong youngster always gave up a few hits, but it's the runs that count. And Leveroni had an amazing ERA of less than 1. per game. In eight contests only nine runners crossed home plate while Leveroni was on the rubber and some of these were unearned. Three of the games were shutouts.

COACH IS SORT OF PHENOM HIMSELF

That Van Alstyne could steer a group of fresh baseball recruits to such glory was an achievement in itself.

Van Alstyne attended USC, where he played varsity basketball but never even picked up a bat during the spring months. His diamond play was limited to high school. Baseball never commanded his top interest, but he has managed to piece together a bunch of grammar school grads and second-year kids in to an astounding baseball machine.

His efforts won't go to waste. Varsity tutor Martin is already licking his chops over the talent Van Alstyne will send up next year. Normally Patron, Tapia, Haanen and Ryan, all frosh, would return to Van Alstyne's club another year, but Martin may wield some influence on their decision. Patron almost made the varsity

team.

It's All Over For Jefferson As Cap Clouts Indians, 4-2

It was all over and there wasn't any shouting as Jefferson High school closed out the baseball season Friday on the home grounds with a 4-2 loss to Capuchino, eliminating the local nine from a shot at the championship playoffs.

As it turned out, a victory would have given the Indian nine a tie for the NPAL crown, as first place San Mateo was shocked by lowly Carimont, suffering a 1-0 defeat.

The Bears lost gave them a 7-3 record, identical with that of Capuchino. Jefferson's loss bumped them into third place with a 6-4 mark.

Hitting Fails

The vaunted Indian hitting attack never took shape, as Mustang chucker Ron Venturi checked the Jeffs with three hits.

Cap banged Jeff's hard-luck ace Lowell Creighton for 10 safeties. The Mustangs broke into a three-run lead in the second inning.

Two straight walks by Creighton shoved one of the runs across.

The Jeffs came back in the third with two runs. Bob Gaggero opened the inning with a walk, and Ken Smith moved him along with a single. Rich Guisti then walked to load the bags with one away.

John Murphy whacked a ground ball back through the box, but Cap second baseman Karwatt cut off the ball before it reached the outfield and tossed to Bing Cerri at short stop. Cerri tagged second to get one, but overthrew Roger Solem's head at first and two runners jogged across home plate for Jefferson's only tallies.

Held To One Hit

The Indians were then held to one base-hit, that by Guisti for the rest of the contest, while Cap registered a final tally in the sixth on two singles and a sacrifice.

It was the final game of the 1955 season for Coach Lou Martin.

He tried to, but before he got through he had mentioned every member of the first team.

His infield, made up of Leroy Franzola at third, Ino Patron at second, Mike Wedlake at shortstop and Paul Tapia at first, is described by Van Alstyne as "excellent."

DC ADULT SOFTBALL CIRCUIT UNDERWAY

The Daly City recreation department's sixth annual Twilight Softball league got away to a flying start Monday evening when the Shannon Hardware nine blasted the OLPH Men's club, 30 to 4, in a lopsided contest.

The Hardware club, led by Joe Fisher, Al Hicks and Don Wilson, had too much power at the plate for the inexperienced Men's club as they scored heavily in almost every inning.

Bud Lysett and Pete Lofrano played an outstanding game for the losers, being directly responsible for the Men's Club's four tallies.

Ron Quint, Shannon Hardware hurler, looked good for the winners in his initial mound performance, limiting the opposition to a measly six hits. Shannon Hardware next engages the powerful Lagomarsino team at Marchbank on Tuesday, May 31, while the

tin's club. While the overall season mark, 20-9, was one of the best in the school's history, it was in the league games that the talented Indians had the most trouble. Nearly half (four) of the Jeff's nine losses came in league contests. Capuchino inflicted two of the Daly City club's defeats, while San Mateo handed the Indians the other two league losses, San Mateo and Capuchino wound up in a tie for first.

This year marked the first time in Jefferson's history that a varsity baseball club had won 20 games.
